

“LONDON” COMPETITION RG FLOOR

- ❑ F.I.G. Approved
- ❑ Efficient dynamism thanks to a smooth and even performance area.
- ❑ Provides excellent shock absorption for the ankles and wrists, minimising the risk of injury during performance and training.
- ❑ Installation is quick and simple and the contrasting 13 x 13 m performance area is clearly marked allowing an easy orientation during routines.

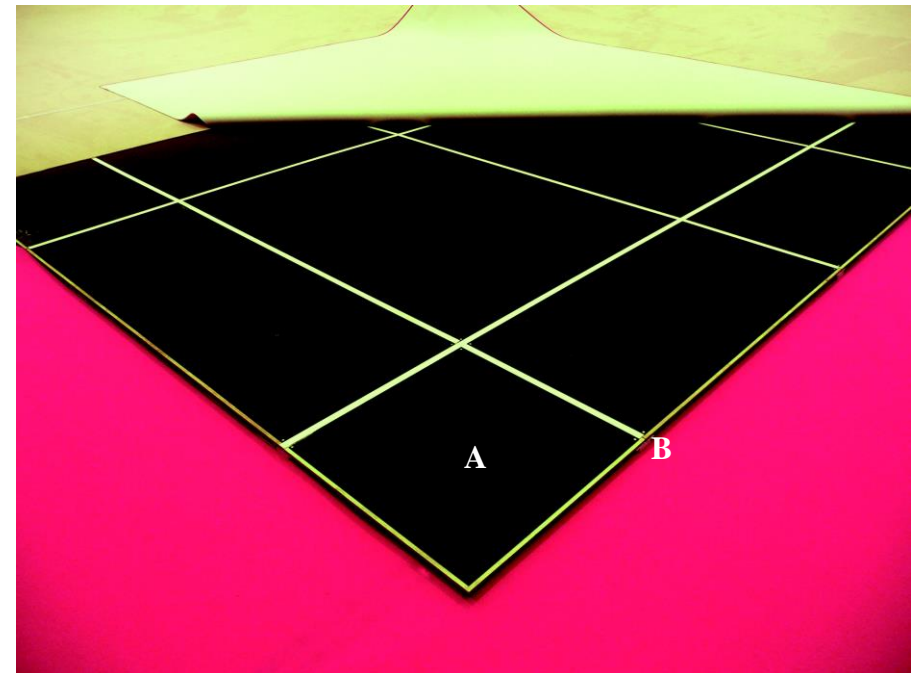

This floor has been used for the 2016 (Rio) and 2012 (London) Olympic Games, World Championships in Kiev (Ukraine) and Montpellier (France), European Championships in Holon (Israel), University Games, Panamerican Games...
